90%

of all advertising mediums are discarded before they are a year old.

The City Directory Lasts Twelve Months.

After the New One comes out—

your advertising in the City Directory is still good, for City Directories are seldom entirely discarded while they hold together. They are either kept for reference or for home use, while a new one is bought for the office.

Even After Five Years—

some of these City Directories will be in active use. Your advertising is still in service.
